**WE ARE NOW SCHEDULING TAX
PLAN APPOINTMENTS**

- Are you worried about your tax situation this year?
- Has your business shown increased profits that are more than expected from last year?
- Do you want to review your tax estimates?
- Would you like to take advantage of some of the tax strategies available?
- Are you considering a major purchase before year end?
For example: automobile, equipment, etc.
- Have you sold property or stock and realized substantial gains or losses?
- Have you changed your form of entity?
- Have you started a new business?

These are just a few reasons to review your taxes before year end.

Please call our office at 724-832-2244 to schedule a tax plan appointment with one of our experienced professionals.
